

## Hi Everyone

June is busting out all over! And it's a typical British summer, mostly wet!

Last month, we were visited by Nigel Metcalfe, whose brought us lots of fascinating nostalgic memories of "Nostalgic High Street", all those shops and stores no longer with us!

This month we will meet Roger Browne who will present a musical insight into the life and Works of Scott Joplin. It should be a real treat!

Refreshments will be provided by the History Group.

I hope to see you there!

Peter
