

## SECRETARY'S REPORT 2025

MONDAY 17<sup>th</sup> FEBRUARY

This has been my first year as Secretary.

I thank Nanette Walker, my predecessor, for guiding me through this past year and thank Peter for being my mentor.

I also like to thank the rest of the committee for their unwavering support.

I am repeating the message that was relayed to you last year that we need members to step forward and join the committee

We have over 160 members and need 12 ideally for a committee  
Is that too much to ask?

We need a committee to oversee the benefits you receive as members

Two committee members are stepping down this time and I would like to thank them for their support over the many years that they have given to U3A

Without them you would not have had that lovely Christmas Lunch that Celia Banner totally organised and the total support that Susan Lappin has given to the Interest groups

If we don't have a committee, we do not have a U3A

Lesley Knight
