

Hello everyone

February is the unkindest of months; hints of spring to come with snowdrops, crocuses and camellias, but cutting winds, driving rain and the threat of another Beast from the East! Still, it is the shortest month so keep smiling!

Last month we had a return visit from Jen Rigby, whose performance of several well-known monologues was excellent and a lot of fun. Jen will return later this year to entertain us again.

This month our meeting will focus on the AGM, and we do need your support, not only for the meeting, but through the coming year to ensure our U3A continues to thrive. There are places available on the committee and new faces are always welcome. Please consider standing.

We will also have a Guest speaker after the meeting who will address us on a very important health issue which might affect you, so worth a listen.

Refreshments will be provided by Amblers and Cards groups.

Sadly, the Singalong group has been discontinued due to lack of support, but Tony hopes to restart a Ukelele group, and will bring a sign-up sheet to the meeting for interested parties.

I hope to see you on the 16th.

Peter
