

## Hello everyone

So here we are in May and it has been a bit chilly in the main. As you know who said, "Rough Winds do shake the darling buds of May", as my climbing rose can attest!

Last month saw the return of David and Pam Humphries, whose theme was "Water! Water!" the story of Brum's water supply. For those of us who studied it in junior school, many memories!

This month, in the way of something completely different, we will meet Fran Sandham, who will tell us of his "Solo walk across Africa"; sounds energetic but should be fascinating.

Refreshments will be provided by Garden Visits, Latin and Film Club.

Some few members have still not paid their subs! Can you please do so asap, £20 per person and can be paid in all the usual ways, including at the meeting next week. We have to make a return to TAT soon so you might lose your magazine!!

So I hope to see many of you next Monday 18th at the usual time!

*Peter*
